Q6. In November 2020 there will be elections for President, Congress, and other offices. I know it's a long way off, but as things stand now, how likely is it that you will vote in the November 2020 election -- are you almost certain to vote, will you probably vote, are the chances 50-50, or will you not vote?	Almost certain	90%
	Probably	5%
	50-50	3%
	Will not vote	1%

Q12. And now, let me read you what some people have said about transportation in O'ahu. Even if neither is perfect, please tell me which comes closer to your view:	[VOL] Don't Know	1%
	We should expand the number of bus and bike lanes on O'ahu. It will provide diverse transportation options and get more cars off the road, which will help reduce air pollution and fight climate change.	54%
	We should keep our roads the same. Adding dedicated bus and bike lanes will only make traffic worse for the majority of people on O'ahu who drive and it's just not worth it to cut carbon pollution.	37%
